Dear Mr. Thomsen:

RE: Filing of Form MR-3, Annual Operations and Progress
Report, Devil's Slide Quarry, ACT/029/001, Morgan County,
Utah

In regards to your letter about the filing of the annual report for the Devil's Slide Quarry, the Division recommends that a report be filed. This report should be marked "Operation Not Approved, for Information Only." Due to the fact that an annual report has never been filed for this operation, the report this year should list activity to date.

We appreciate your cooperation in this matter. If you have need for further information, please call.

Best regards,

Ronald W. Daniels
